

Now, it's your turn to enjoy life! Find quiet comfort and easy living in a cozy village atmosphere at Loreto Landings.

Loreto Landings has been thoughtfully planned to provide a single family home option that is easy to maintain.

Unlike many planned communities, you own your homesite at Loreto Landings - which is important, especially to the gardener in the family.

And there is so much to do in our area. In fact, this may be Lake County's best kept secret. The brand new lakefront Perry Community Center is geared for active adults. You'll find a host of diverse activities such as line dancing, card games, movies and art classes - all in a beautiful lakefront setting.

New homes from the \$170s.
