

Award Winning Design!

The Coventry

Some Optional Features May Be Shown

This 2,679 square foot executive ranch is being built using the latest “green-building” techniques for superior energy efficiency and savings.

Inside, you’ll find 3 bedrooms and 2 1/2 baths. The main living area offers plenty of interest with archways and details throughout.

The master suite features a large walk-in closet and his & her’s vanities.

The Great Room features a tray ceiling and clean burning gas fireplace. The adjacent kitchen and eating area are large and accommodating.

The covered rear porch allows you to enjoy all of nature’s beauty.

The front den & dining room complete the space.

The optional partially finished lower level is perfect for entertaining and adds 1,094 square feet of living space.

As with all ProBuilt plans, the Coventry is fully customizable to fit your specific needs.
